<p><b>General feedback from the class:</b></p> <ul style="list-style-type: none"> <li>• Did they enjoy the event? (% if possible)</li> <li>• What did they learn from it?</li> <li>• What was good about it?</li> <li>• How could it have been improved?</li> </ul>	<p><b>School Council</b></p> <p><b>100% of pupils enjoyed the visit</b></p> <p><b>What we learnt:</b></p> <p>God's love can be shared with everybody. A new song to sing in the school assembly. The story of Gideon – although he was small, tiny and the youngest from the least important family, he still saved his country from the stronger army. As schools, we can be a family to learn different things together.</p> <p><b>What was good about it:</b></p> <p>We had an opportunity to explore the Cathedral. Lighting the candle to make a cross. The circle times. Learning new things. Solving the cross puzzle Meeting children from other schools We were united (Children insisted I use this actual word)</p> <p><b>Improvement:</b></p> <p>Make the music louder Involve more children Make it a big longer – it finished too quickly</p>
