## The Diocese of Chelmsford Vine Schools Trust (DCVST)

The Vine is a Multi Academy Trust (MAT) set up by the Diocese of Chelmsford. We are a family of Church of England primary schools located throughout the Diocese of Chelmsford. Our vision is to serve our local communities by providing excellent education rooted in our Christian values.

We are passionate about school improvement and delivering high quality teaching and learning in all of our schools. We want our children to have the best possible experience as they grow into confident learners with a strong sense of morality and values.

### Our Vision and Values

## Purpose of the Scheme of Delegation

The Vine Schools Trust Board is the decision-making body responsible for setting the strategic direction of the Trust. It is legally accountable and responsible for all aspects of the performance of the Trust, its finances and its schools whilst preserving the religious character of the Trust.

The Trust Board need to establish systems to assure themselves of the quality, safety and good practices of the Trust. This does not mean, however, that the Board is required to undertake all tasks or make all the decisions itself and as a result they establish the Scheme of Delegation.

The Scheme of Delegation sets out the delegated functions within the Vine Trust governance structure and aims to:

- identify the areas of activity or decision making that should be taken and by who.
- provide clarity, consistency and avoid duplication.
- be clear and accessible.
- ensure the right people are making the right decisions.

This Scheme of Delegation will be reviewed annually by the Trust Board and should be read in conjunction with the following additional governance documents:

- Terms of reference
- The Trust Committee Structure

The Trust is committed to establishing good governance at all levels and will provide support, training and oversight to enable each of its Boards to be as effective as they can. On some occasions, however, a School Governance Board, may be removed and a Trust Intervention Board (TIB) may be established. The decision to establish and remove any Board rests with the Vine Trust Board.

The Scheme of Delegation has been Informed by and is compliant with the Trusts Articles of Association, legal and statutory regulations, the ESFA, AFH, Trust policies and practice.
